Dear Parents/Carers

Severe Weather Conditions

In the event of severe weather a decision may have been made to close the school, particularly if not enough staff can travel safely in. In this event, a notice will be put up outside the school as early as possible. Alternatively you can ring one of the telephone numbers below to check the situation. These people have kindly agreed to be a point of contact for the parents/carers of each class. They will have the information from around 8:00 onwards.

Class 1 - Mrs Jones (tel. no. 01278 722708)

Class 2 – Mrs Squire (tel. no. 01278 722778)

Class 3 – Mrs Cabble (tel. no. 01278 722972)

The school will also be staffed from 8:15am to 9:00am so that enquiries can be made. Please DO NOT leave your children at school without first checking that school is open.

If worsening weather conditions during a school day indicate that by 3:15pm children and staff may have difficulty getting home, every attempt will be made to contact you to ask you to come and collect children from school.

If you anticipate difficulties collecting your children later in the day due to weather conditions, please come early and collect children from school or telephone us to let us know what arrangements to make. One of the teachers will remain in school in this situation until all children have been safely collected by their parents/carers.
