NEWSLETTER

Dear Everyone

Next week the Year 6 children will be involved in some drama work with other schools, and in between they will be meeting their Year heads from their new Secondary Schools (Crispin and Chilton Trinity).

The week after it is half term and then the following week (**beginning 7th June**) is Health Week. We have arranged lots of different learning opportunities around the theme Health and Safety, and the children will prepare some work to show you in a whole school parent assembly. This will be **on Friday 11th June** at 2 pm in the **Village Hall**. Do come along and watch.

Plant Donations

The children are ready to plant up our borders and pots to brighten up the school for the summer. Could you spare any bedding plants? If you have any to give away, could you please bring them to school by Monday 24th May. Thank you.

School Policies on Child Protection

We take our role on safeguarding the children very seriously. I am the designated member of staff with responsibility for safeguarding. Mr Keith Symes is the Child Protection Governor and his job is to ensure that our policies and procedures for vetting staff and reporting any concerns with the children are up to date and followed closely. The school policies that cover this area of our work are:

- Child Protection
- Behaviour Policy
- Anti-Bullying Policy
- Health and Safety Policy
- Equal Opportunities, Equality and Diversity
- First Aid
- Personal, Social and Health Education (PSHE)
- Drugs and Substance Abuse Policy
- Management of Allegations against Staff Policy

They are available for you to read if you wish: just ask at the school office.

School Entrance

It has been brought to my attention that a few parents and children are still coming in to the school through the car park! It is very dangerous for children to cross the road there

and I feel some parents are setting their own and other children a very bad example.
Please use the crossing patrol! We do not want an accident!

Could you please return your slip about the crossing patrol if you have not already done so.

And finally, don't forget our last inset day of the year is tomorrow. (Wednesday 19th May)!

Many thanks

Catherine Groves
Head Teacher
