NEWSLETTER

Dear Everyone

I hope you are enjoying the sunshine!

We have a busy term planned with lots of outdoor activities. Thank you to those parents who always ensure that their child has a PE kit in school for every day of the week. If children do **not** have their kit i.e. daps, shorts and T shirt in school they will be asked to do work indoors and will be supervised by a member of support staff, rather than watch the lesson.

In hot sunny weather could you ensure that your child has a hat, sunscreen if necessary and a water bottle in school. Our policy towards sunscreen is to supervise children to apply it themselves.

We shall be doing two uniform orders this term. We can do one shortly, if anyone would like anything and then again shortly after half term for clothes needed in September. You can order legionnaires style sun caps which are always useful at this time of year. Please see Mrs Hague for an order form.

If anyone would like their child to have milk every day please ask Mrs Hague for more information.

Clubs will start again the week after next, **the week beginning 10th May**. Please fill in the attached form and return as soon as possible to gain a place in the club. The atmosphere of a club is less formal than that of school time but it is important for children to realise that the adults running the club have given their time free and will not be happy with children who want to do their own thing or mess about! Also it is important that if your child cannot come to club one week that they speak to the adult concerned before hand.

Please read the attached letter about lollipop duty. Return the questionnaire and come forward to help if you can. Our volunteers do a fantastic service but when they leave we need parents of younger children to come forward.

Best wishes

Catherine Groves
Head Teacher
